DNV Academy maritime training schedule:  
[www.dnv.no/kurs](http://www.dnv.no/kurs)

Price all courses: 4,500 NOK per participant/day. No refund will be made when failing to attend a course. Written notice of substitutions may be made at any time prior to the commencement of the course. We reserve the right to cancel or reschedule any course due to unforeseen circumstances. Every effort will be made to inform the participants of the change.

## COURSE DESCRIPTION

### Superintendent course

- DNV Exchange and Class systematics
- Machinery surveys, PMS, condition monitoring, machinery damages
- Marpol & Solas
- Hull strength, hull damages
- CAP, CAS, ESP
- Port State Control
- ISM, ISPS

### Incident investigation course

This course will give participants a basic theoretical and practical introduction to accident and incident investigations

### Maritime Risk Management Course

This course will help participants:

- Understand and assimilate basic risk concepts
  - Learn effective risk management techniques
  - Participate in and lead risk assessments
  - Foster the development of a risk culture.
- Several practical shipping cases will be analysed during group work using these techniques

### Machinery course

- Class systematics
- Machinery survey arrangements
- Boiler surveys, operation of boilers
- Engine room fires
- Marpol Annex VI, EIAPP certificates
- Propellers, bearings
- Use of 2nd hand and reconditioned components

### ISM Code implementation course

- Explain the details of the ISM code with emphasis on implementation and interpretation

### Internal auditor course

- Explain the principles of auditing, with emphasis on how to conduct an efficient internal audit

### Hull course

- Hull functions
- Basic hull strength
- Structural connections
- Failure types and repair proposals
- Oil tankers and bulk carriers

### Maritime Labour Convention Course

- Understanding the new MLC regulations
- Reference to existing ILO regulations
- Implementation onboard and ashore
- Consequences for owners and seafarers
- Benefits for owners and seafarers
